

Directions to the Plymouth Parent Education Building

From Myrtle Avenue and the 210 Freeway - go south on Myrtle (south of 210 Freeway) to Longden.

Turn right on Longden. As soon as you cross Peck Road you will pass the entry to a church parking lot, then a church. Continue past the church and a ball field (on the right). At the end of the ball park/field is a chain link gate set back from the sidewalk that goes into the ball park.

Next to this gate is chain link double-wide gate at the sidewalk. At this gate are signs indicating no tobacco use and no ball park parking, and a large water pipe valve assembly. Behind this gate is a long, narrow, paved drive, or ally. This leads to a bungalow on the right that is the Plymouth Parent Education Building. Park neatly on the right, angled into the fence. Go through the chain link gate on the right and into the first building on the left.

If you get to Fairgreen Ave. you've gone 50 feet too far west.
