

In January we will visit the extensive and varied shows in Quartzsite, Arizona. Our timing is to take advantage of the annual "Pow Wow", hosted by the Quartzsite Improvement Association, and many of our members will meet there on the 21st in order to have an opportunity to see more of the shows while they are there.

Chris Kyte will lead the field trips Saturday and Sunday. Briefing Saturday at 8:30am, Mtn. Time, in front of the Black Rock Cafe (not always open), 46751 U.S. 60, Salome, AZ in Brenda. Directions (a 15 minute drive) from the Chevron at the NE corner of I-10 and Riggles Avenue in Quartzsite are: Head south on Riggles Ave toward I-10. Turn left onto I-10 E toward Phoenix for 10.7 mi. Take exit 31 for US-60 East and go 3.6 miles to the cafe.

We will be camping at the Plomosa Road BLM open camping area, approximately 10 miles north of Quartzsite. Take U.S. Hwy 95 north of Quartzsite to the Plomosa Road turnoff and turn right. The free camping is on the north and south sides of Plomosa Road. Look for PLS or P/W signs for our camping area. If you don't see our signs, look for YOTMC signs and ask for Dick Pankey who will know where our folks are. More information at the monthly meeting. Of course, if you are planning to stay in a motel in Blythe you should make a reservation immediately.
