

The Pasadena Lapidary Society, Inc.
P.O. Box 5025
Pasadena, CA 91117-0025

Thank You for your interest in the Pasadena Lapidary Society! We are pleased to provide the current issue of our monthly bulletin - Rockhound Ramblings - to prospective members.

You may be just the type of person that we would enjoy having as a member of the Pasadena Lapidary Society. Like you, we are a group of people that enjoy collecting interesting rocks and fossils and turning them into works of art or items to display to our friends and family. At our club new collectors, like yourself, get a lot of help from the more experienced collectors and there is never a shortage of interesting rocks and fossils for your collection.

We invite you to become a member! The Pasadena Lapidary Society is very active and supportive of collectors and their families. We offer meetings, information, workshops, field trips and educational school demonstrations.

At our monthly meeting we feature interesting presentations about the hobby, from speakers and videos to hands-on instruction and demonstrations. Our monthly bulletin has earned awards and national recognition for its informative and professional presentation. In the monthly bulletin we provide news, lapidary and jewelry tips, notice about local gem and jewelry shows and special information that you can use. Our monthly field trips offer you a chance for you and your family to get away from the city and collect beautiful rock and fossil specimens. Each month we have a workshop at our fully-equipped shop in Sierra Madre. After proper instruction on the use of the power machines there are lots of things you can make. You can choose from some of the rocks in our inventory or bring your own to work on! All of this is included with your annual membership.

To obtain the latest electronic issues of our newsletter and an application for membership just send your request by clicking this link: pasadenalapidary@aol.com. Printed editions of our bulletin are available in limited quantities and can be sent to you at your mailing address. If you and your family would like to join our group, please send the completed application with a check. I encourage you to invite others in your household to become a member also! The cost for additional adults and juniors is listed on the application. Name badges for ladies come with magnetic clasps, and with pin clasps for men. If you would like them otherwise, please state on the form.

We look forward to hearing from you! If you have any questions, or would like to attend the workshop to see what is available, please call me at (909) 996-1784.

Yours Truly,

Mark Nelson
