

PLS YAHOO GROUP

We have a Yahoo Group where we can exchange information and receive notices of our meetings and workshops. This is the main source for reminders, information and schedule updates between the monthly newsletter editions. All members with internet access, a computer and an email address are asked to join this internet group.

Getting Started:

1. Go to this website: www.yahoo.com
 - A. If you are already a Yahoo member, see number 2 below.
 - B. If you have never been here before, you will need to establish a Yahoo ID and password. To do this, click on the sign up link at the top of the page where it says “**New Here: Sign Up**” and follow the instructions.

2. Once you are a Yahoo member, go to the PLS Yahoo Group at:
http://groups.yahoo.com/group/PLS_RockHounds/
 - A. On the right side (above the club logo) click on “**Join this Group**”. You will be asked to sign in to Yahoo, using your Yahoo ID and password. Sign in, and then fill in the membership form.
 - B. In the “**Comments to the Owner**” block. Please give the moderator/owner your real name if it’s not your yahoo ID. Also, it would be helpful to remind the owner that you are a current PLS member, if you are one. Be sure to select how you want messages sent to your email address.

What happens next? Once your membership request has been approved by a moderator you will begin receiving emails from the yahoo group and you may begin posting messages to the group. Please note... this is a “Moderated” group. This means that messages from new members are approved for distribution by the moderators/owners. Once the moderators are sure you are comfortable posting messages, your messages will no longer be moderated. If you experience problems – contact our moderator, Philip Lahr at plkslahr@att.net or at 818-957-2322.

What kinds of message are posted in the Yahoo Group? Information or questions about any lapidary or jewelry making process or procedure you wish to discuss is encouraged. Answers or comments to these posts are then encouraged. Information about meetings, upcoming programs, fieldtrips, schedule changes are also welcome. Hobby related “yard sales” may be posted here as well. Please keep it polite.

What should not be posted here? PLS does not allow commercial advertising in our yahoo messages, so no business advertising please. We keep our members’ information private and do not encourage posting private information on any web site. Nor do we allow spam. Yahoo fights spam and may block any spamming yahoo member from all groups.

Welcome to the Yahoo Group!
